**Geert Kloppenburg and Chris Bruntlett (Dutch Cycling Embassy) discuss the Celebrating Cycling Cities event that took place on the first of June, the best practices they encountered while interviewing mobility experts from all over the world, and with whom they would like to speak next. Missed the event? You can still watch it here.**

The image shows a Spotify podcast player interface. On the left is a square album art for 'Metropolitan Mobility Podcast' featuring a cityscape at sunset. The main text reads 'Highlights of serie interviews about cycling with Chris Bruntlett (Dutch Cycling Embassy)'. Below this, it says 'Jun 2021 • Metropolitan Mobility Podcast' and 'Follow'. At the bottom, there is a progress bar with a play button icon on the right. The Spotify logo is in the top right corner.
