So ... you just started with DMI. Now what?

Fortunately it's quick and easy to get things going.

These pages are designed to provide users new to DMI an understanding of the different areas, concepts and features of DMI.

Just select any of the headings in the wiki-index box to the right.

Want to work on your Smartphone or Tablet? Just download the DMI app here:

After download, open the app and use your username and password to login.
